

## **INTEGRATED NETWORK SOLUTIONS RECEIVES UNIFIED COMMUNICATION INDUSTRY'S TOP AWARD**

*Technology Assurance Group  
Recognizes Integrated Network  
Solutions as the Elite  
Provider at STAR CON*

SAVANNAH, GA — December 3, 2013 — Integrated Network Solutions, a leading unified communications provider, announced today that the company received one of Technology Assurance Group's top awards at the association's STAR CON event held in San Diego in October. Technology Assurance Group (TAG), an international organization of independently owned unified communications companies in the United States and Canada, selected Integrated Network Solutions as the winner of the "Performance Excellence Award" for exceptional economic performance and superior customer satisfaction. Integrated Network Solutions was highlighted as a premier provider during a prestigious awards ceremony attended by TAG's Member companies and leading technology manufacturers.

The highly sought after awards, which are given out annually, are based on overall financial performance, customer satisfaction, and the ability to provide customers with cost effective unified communication solutions. "In 2012, Integrated Network Solutions experienced phenomenal growth that propelled them past the best companies in the industry," said Brian Suerth, EVP/Partner of Technology Assurance Group. "Integrated Network Solutions' philosophy of providing technology

solutions that increase their customers' profitability, improve employee productivity, and enhance brand image fueled the company's overall success. In addition to offering solutions with the purpose of accomplishing their customers' business objectives, they maintain a highly talented team of professionals that deliver world class service. Integrated Network Solutions is an exceptional Member that is dedicated to acquiring best business practices that continually improve their organization. It was our privilege to showcase such a fine company at our annual event."

"We have built a great company with a solid reputation in our community over the years and it was a wonderful feeling to be recognized by TAG," stated Richard Neal, President & CEO of Integrated Network Solutions. "Integrated Network Solutions' customer centric focus, as well as our ability to stay on the pulse of technology, have enabled us to become our customers' trusted advisor. We attribute much of our success to the many benefits that we receive from our Membership in TAG. The organization enables us to quickly adopt new ways of doing business for the betterment of our customers and our people."
